

**Special Purchase  
Store Update March  
2016**

**Formula Updates**

**Effective April 1st, 2016**

Enfamil Nutramigen ready to use, liquid is still available in the 32 oz. size, packaged in a bottle vs. a can. The bottle **will be permitted** on a WIC check that reads “can.”

Enfamil Nutramigen ready to use, liquid will be available in a 6 pack containing 8 oz. bottles.

**Effective June 1<sup>st</sup>, 2016**

Similac Expert Care Alimentum Powder will be **discontinued in the 16 oz. size**. It will be replaced by a 12.1 oz. can with a new label. WIC shoppers will start to receive WIC checks with the new 12.1 oz. size in June 2016. More to come on this.
